1. Purpose & Background

This HR Desk Reference implements DOE Order 331.1D and BPA Supplement for Employee Recognition.

A. Introduction:

1. **Governance model:** This HR Desk Reference is part of a tiered approach to the DOE-BPA Service Center (HRSC) governance model. The first tier is the DOE-BPA Policy, which provides broad DOE-BPA guidelines and standards for making specific human resources-related decisions and specifies who in BPA is delegated decision-making authority.

The second tier consists of HR Desk References covering more detailed instructions concerning program administration and processes. These second tier documents will be published as an extension of the specific policy.

The third tier consists of Standard Operating Procedures applicable to a specific business process. Standard Operating Procedures may stand alone or be encompassed in an HR Desk Reference.

2. **Design of the HR Desk Reference:** In order to support the overarching guidance contained in the relevant DOE-BPA policy, this Reference provides a standardized and consistent approach to BPA-SSC and BPA Management’s administration of the programs and processes contained in this HR Desk Reference.
3. **Using the HR Desk Reference:** Implementing instructions and procedures are essential for all business functions at BPA and as such are considered as an asset of the Administration that must be managed based upon content and the circumstances surrounding the function. Users of this HR Desk Reference are likely to reference a specific function or procedure rather than reading it in its entirety. This desk reference has been structured to reflect this type of use.

B. Purpose/Objectives:

This HR Desk Reference provides procedures to be followed to recognize employees for their accomplishments, milestones and contributions to further BPA’s mission. It also provides information and clarification about BPA’s recognition programs and opportunities to support the goal of a recognition-rich culture.

C. Background:

DOE and BPA view performance management and recognition programs as strategic tools to increase individual success and accountability, achieve agency and organizational goals, and improve efficiency. A program that works well helps supervisors to recognize their employees’ full performance potential through identifying and differentiating high achievement from areas requiring improvements, thereby assisting with meeting BPA’s and DOE’s missions and goals.

DOE-BPA’s three-tier recognition system provides the foundation to recognize individuals, groups, and organizational achievements. The variety of programs and venues provide opportunities to enhance the recognition culture, increase engagement and express appreciation throughout the year through timely, specific and sincere recognition.

It is important to give recognition in a fair and consistent manner. A recognition-rich culture increases employee engagement, morale and productivity. Favorable recognition, when it is not earned or explained, often reduces an employee’s pride in his or her work. On the other hand, when recognition is not given where it is deserved, employees may become discouraged and lose their incentive to do a better job.

2. Applicability

These program requirements, guidelines, and procedures apply to recognition and awards for all BPA managers and employees.

3. Terms & Definitions

5.2 Performance Awards

- A. General:** Performance awards are linked directly to the summary performance rating on the employee’s rating of record for the appraisal period for which the award is granted.
- B. Eligibility:** To be eligible for an individual performance award, an employee must be on the employment rolls on the last day of the performance appraisal period (September 30th for annual managers and supervisors and October 31st for all other employees) and have a qualifying rating of record.
1. Performance awards are mandatory for the following ratings:
 - a) Significantly Exceeds Expectations (SE), if the employee did not receive a Quality Step Increase QSI;
 - b) Exceeds Expectations (EE);
 - c) Meets Expectations (ME), unless the employee has an active performance demonstration plan (PDP) at the end of the appraisal period.
 2. Employees who receive a Fails to Meet Expectations (FME) summary rating of record are ineligible to receive a Performance award.
- C. Relation to other awards:** Employees may not receive other awards (e.g. OTS/SAS) for any performance goals directly identified in the employee’s performance plan, and may not a performance award if receiving a QSI.

5.3 Quality Step Increase (QSI)

- A. Relation to Within-Grade Increase (WGI):** A Quality Step Increase will not affect the timing of an employee's next regular WGI, unless the QSI places the employee in step 4 or step 7 of their grade. In these cases, the waiting period is increased by an additional 52 weeks. The time that an employee has already waited counts towards the next increase, but the employee must complete the full waiting period of the new step.
- B. Eligibility:** Quality Step Increases (QSI) may be granted to General Schedule (GS) employees with a “significantly exceeds expectations” rating of record (See DOE Order 331.1D and BPA Supplement) in lieu of a cash award or time off award, if the following criteria are met for the entire annual appraisal period (Note: An employee’s QSI will be delayed up to the beginning of the first pay period in April when on a non-competitive temporary promotion (see Section 7.3)):
1. The employee is at the full performance level of a career ladder position;
 2. The employee has not been permanently promoted, including a transfer that results in a promotion;
 3. The employee has been in the same grade or pay band level;

				Version 4.0

4. The employee must be below step 10 of his/her grade level (for GS employees);
5. The employee has received a Significantly Exceeds Expectations (SE) summary rating;
6. The employee has demonstrated sustained performance of outstanding quality;
7. The employee has not received a QSI within the preceding 52 consecutive calendar weeks;
8. The employee occupies a “permanent position” (i.e., not a temporary appointment).

Recommending managers must follow nomination procedures in this Desk Reference Guide.

C. Funding and Limitations:

1. QSI are funded from Business Unit budgets. Re-allocation from Business Unit Recognition Program budget is strictly prohibited;
2. Business Units shall give no more QSIs than allowed per limits established based on budget restrictions and/or OMB/OPM/DOE guidance;
3. Business units shall not give QSIs to more than 10 percent of the total number of annual employees eligible to receive awards for the fiscal year; and
4. HRSC is responsible for notifying Business Units of the number of QSI’s available for each performance year.

5.4 Time Off Award

A. Eligibility: An employee may be given a time off award in lieu of a cash award or QSI based on the summary rating (See DOE Order 331.1D). No award will be given if the employee has an active Performance Demonstration Plan (PDP) at the end of the appraisal period. Time off awards may be granted in one hour increments.

The number of TOA hours awarded is determined based on the employee’s share cash award amount and summary rating level. The number of TOA hours is calculated by dividing the share cash award amount by the employee’s hourly salary. The TOA hours awarded may not exceed the maximum number of hours for the employees rating level shown below (Section 7.3 (C) contains procedures determining TOA amounts and limitations):

1. SE – 50 hours;
2. EE – 40 hours;
3. ME – 30 hours when the majority of the weighted elements are rated ME or the weighted elements are equally divided between EE and ME; or
4. ME – 20 hours when all weighted elements are rated at ME.

6. Individual/Group Monetary (OTS, SAS, etc.) and Non-Monetary Awards

A. General: These awards are used at the manager’s discretion during the year and shall not be given for any achievements or accomplishments directly identified in an employee’s performance plan. Additionally, an employee cannot be recognized more than once for the same accomplishment.

B. On-the-Spot (OTS):

1. **Purpose:** This award recognizes a noteworthy contribution accomplished over a short period of time. This program may be used as a vehicle for organization team or group awards as well as for individuals, within OTS parameters. Any BPA team or individual employee is eligible. This award should be presented as soon as possible after the accomplishment.
2. **Award Amounts:** BPA Supplement to DOE Order 331.1D establishes the minimum and maximum amounts of each award. The amount of an OTS award must be based on applying the Monetary Awards Scale criteria contained in Appendix B of the BPA Supplement to DOE Order 331.1D.
3. **Limits:** There is no limit for a team as long as the individual team members do not receive more than the maximum. There is no limit to the number of OTS awards an employee may receive.
4. **Approval:** The immediate supervisor is the approving official for OTS awards. If the nominator is not the immediate manager, the nominator must recommend the award to the supervisor.

C. Special Act or Service (SAS):

1. **Purpose:** This award may be given to an employee or a group of employees for continued achievement of work results that support business goals and are significantly above and beyond expectations.
2. **Award amounts:** BPA Supplement to DOE Order 331.1D establishes the minimum and maximum amounts of each award. The amount of an SAS award must be based on applying the Monetary Awards Scale criteria contained in Appendix B of the BPA Supplement.
3. **Limits:** There is no maximum amount for a group award; however, the individual award limit does apply. There is no limit to the number of SAS awards an employee may receive. The BPA Front Office must approve individual awards greater than \$1,000 and group awards of \$10,000 or more.
4. **Approvals:** This award requires approval by the recipient’s immediate supervisor and second-level manager. For awards with an employee(s) in other organizations, the nominating supervisor will need the approvals of the recipient’s supervisor and second-level manager.

D. Time-Off Award (TOA) (Non-Performance-Based)

- Purpose:** This award is for employee achievements that contribute to the quality, efficiency, or economy of operations. It may be presented in lieu of an OTS or SAS award. The TOA is non-monetary by definition and it is not reflected in the recipient's pay; however, it does count against the organization's recognition pool by crediting the number of award hours multiplied by the recipient's hourly rate of pay.
- Amounts of awards:** The amount of a TOA award must be based on applying the Time-Off Award Scale contained in Appendix C of BPA Supplement to DOE Order 331.1D, Employee Recognition and Awards. TOA awards are given in whole-hour increments. The maximum TOA for a full-time employee for a single instance of non-performance based recognition may not exceed 40 hours.

The amounts are pro-rated for a part-time employee based on the average number of hours in the employee's biweekly scheduled tour-of-duty (e.g., if an employee's scheduled tour of duty is 48 hours biweekly, the may be granted up to 48 hours (performance and non-performance) in a fiscal year, and cannot exceed 24 hours for a single instance of non-performance based achievement).
- Limits:** An employee may not receive more than 80 hours per fiscal year (performance and non-performance).
- Approvals:** The immediate supervisor may approve the award, subject to any operating instructions from his or her organization.
- Scheduling and use:** A TOA must be used within 1 year (i.e., 26 pay periods) from the date given, i.e., the effective date on the SF-50, Notification of Personnel Action. In order to reinforce the connection between the accomplishment and the TOA, the manager is encouraged to approve use of the award as soon as possible after the award is received. A TOA may be taken in half-hour increments. A TOA will not, under any circumstances, convert to a cash payment.
- Transfer between agencies:** BPA will honor a TOA that has not yet been used by an employee who is hired from another Federal agency. BPA employees transferring to another Federal agency are encouraged to use TOA hours prior to leaving BPA.

6.1 Honorary Recognition

A. General: BPA honorary recognition commemorates extraordinary accomplishments ranging from career milestones to demonstrated and sustained excellence in support of the agency’s mission.

B. Retirement:

1. **Purpose:** To symbolize BPA’s appreciation and provide a lasting commemoration of the BPA-employee relationship, BPA recognizes employees for their accomplishments and service to BPA and the Federal Government with a plaque or gift item (employee preference). BPA also presents a service certificate, if applicable, and may present a letter of appreciation.
2. **Limits:** This is a one-time commemorative recognition at retirement that meets the following criteria:
 - a) The item must be something that the recipient could reasonably be expected to value, but not something that conveys a sense of monetary value.
 - b) The item must have a lasting trophy value.
 - c) The item must clearly symbolize the employer-employee relationship in some fashion.
 - d) The item must take an appropriate form to be used in the public sector and to be purchased with public funds.
3. **Requirements:** See Appendix D.
4. **Retirement coffee:** Organizations may also host a retirement coffee, i.e. light refreshments etc., using up to \$50 from the organization’s Non-Monetary Award allocation and complying with celebration requirements. Organizations may honor more than one retiring employee at a coffee, as long as the total cost does not exceed the total allowed if celebrating separately and complying with all celebration requirements. The organization’s Non-Monetary Award pool funds any such celebrations.

C. Length of service:

1. **Purpose:** To commemorate service milestones with the Federal Government. Every employee achieving those milestones receives a certificate, signed by his/her Vice President or Executive, and may order an honorary item. The HRD or the HRD’s designee coordinates length of service awards.
2. **Limits:** One honorary item every five years on the anniversary of employment, which meets the following criteria:
 - a) The item must be something that the recipient could reasonably be expected to value, but not something that conveys a sense of monetary value.

- b) The item must have a lasting trophy value.
- c) The item must clearly symbolize the employer-employee relationship in some fashion.
- d) The item must take an appropriate form to be used in the public sector and to be purchased with public funds.

3. **Requirements:** See Appendix D.

D. Distinguished career service

- 1. **Purpose:** To recognize and honor employees who have made extraordinary and steadfast contributions to BPA and the Government, i.e., a distinguished career. This plaque, signed by the Administrator, is the highest level of recognition of career service to the Government. The Administrator, or manager, presents it upon retirement. It is not linked to other BPA awards and is not intended to be given in lieu of other honorary awards.
- 2. **Limits:** This one-time, commemorative recognition is reserved for employees with documented, extraordinary careers. Years of service, alone, are not justification for this award.
- 3. **Requirements:** At least 20 years of creditable service (SCD-Retirement) that include superior career achievements as recognized by two or more of the following criteria:
 - a) Presidential or agency incentive awards;
 - b) Performance appraisals at the highest rating level (when assigned under a system other than a pass/fail system);
 - c) Quality step increases;
 - d) Administrator’s Excellence Award or the equivalent;
 - e) DOE recognition or national recognition from external entities; and
 - f) Other appropriate evidence. (Note: Commendations or certificates of appreciation are not equivalent evidence for this purpose).

E. Secretary of Energy Awards: The Secretary’s Awards Program is designed to recognize the career service and contributions of DOE employees to the mission of the Department and to the benefit of our Nation. The Program is comprised of three award types:

- 1. The Secretary’s Honor Awards represent the highest internal non-monetary recognition that our employees can receive.
- 2. The Secretary’s Departure Awards recognize notable career dedication and outstanding service to the Department and the American public.

6.2 Administrator’s Excellence Awards

A. General:

BPA honors employees and others annually during the AEA ceremony. Awards are presented in various distinct categories described below.

Generally, those honored must exemplify the characteristics of BPA’s four core values: operational excellence, trustworthy stewardship, collaborative relationships, and safety in addition to the eligibility criteria of the specific award category.

There is no minimum or maximum number of recipients per award category for any of the honorary awards.

Employees, including managers, and contract workers may initiate nominations at any time.

There are no limits or restrictions on the following:

1. Number of nominations an employee may submit;
2. Number of times an individual may be nominated; and
3. Number of awardees from any organization or any demographic group for any of the honorary awards listed below.

B. Guidelines:

There are some limits, beyond those of eligibility and criteria for each award, including the following:

1. Employees cannot nominate themselves;
2. A nomination may only be withdrawn by the nominator or the nominee once submitted;
3. Employees cannot be recognized more than once for the same contribution. Note: Previous AEA awards may be referenced in subsequent nominations, e.g., in Meritorious Service and Exceptional Service categories; and
4. Employees cannot receive the Unsung Hero award more than once.

C. Award categories:

1. **BPA Meritorious Service Award:** BPA’s highest honorary award. It is given to recognize employees for extended (at least 10 years of BPA service), extraordinary service, and achievements. It is not a career award to be earned and presented only at the end of a career, e.g., at retirement. Any BPA employee or recent retiree, is eligible, regardless of grade. Groups are not eligible for this award.

Nominations in this category may be considered for the BPA Exceptional Service Award, also. There is no need to submit nominations in both categories.

Contributions must meet one of the following criteria:

- a) Extraordinary contributions to BPA’s mission accomplishment, through excellence in chosen field, e.g., engineering technology, sales, marketing, transmission operations, energy conservation, renewable resources development, other professional fields, administrative and analytical specialties, hourly occupations, and technical and clerical support occupations; or

7.2 Recognition Funding

3. Approved performance awards are processed in the same manner as individual/group results awards (i.e., HRmis).
4. Employees receive payout of awards in wage/salary payments.
5. Payout is made through the accrual process using funds from prior fiscal year.

Organization BPA HRSC		Title Employee Recognition and Awards		Unique ID 410-08-01	
Author BPA-HRSC		Approved by CAO		Date 02/02/2022	
				Version 4.0	
				Page 10	

Rating	Shares	Criteria
SE	5	All performance elements are rated EE.
EE	4	The majority of weighted elements are rated EE, and no element is rated FME.
ME	3	One half or less of the weighted elements is rated EE, with the rest weighted ME. No elements are rated FME.
	2	All the weighted elements are rated ME
	1	When all the weighted elements are rated ME and management elects to offer this award. <i>(Note: The supervisor must provide the employee with the basis for electing 1 share for an ME rating. For example, if the employee had been under a Performance Demonstration Period (PDP) during the year.)</i>
	0	Fails to meet expectations rating (FME) or employee is on active PDP at the end of the current appraisal period.

2. **Pro-Ration:** A cash award is pro-rated for employees who are in a pay status for less than 2080 hours on October 31, or September 30 for supervisory employees. The hours in a pay status and the employee’s current salary are used to calculate the pro-rated cash award. Employees on military duty and those receiving workers’ compensation are treated as if they are in a pay status for those periods.

3. **Calculation of Cash Awards:** See worksheets in Appendices C and D.

C. Time Off Award Procedures

1. **General:** The number of TOA hours awarded are determined based on the employee’s summary rating (hours award may not exceed maximum for the rating level) and share cash award amount by dividing the employee’s share cash award amount by their hourly rate (annual salary/2,087 hours), and round to the nearest whole hour. For example, if an employees rating is EE; share cash award amount is \$1,344; and their hourly rate is \$44.80 ($\$93,515/2,087$), the employee’s TOA award is 30 hours.

2. **Pro-Ration:** A TOA will be pro-rated if the employee was in a pay status for fewer than 2,080 hours on October 31 (September 30th for annual supervisory employees). To calculate a pro-rated TOA award, divide the employee’s pro-rated share cash award amount by their hourly rate and round to the nearest whole hour.

3. **Limitation:** The total number TOA hours may not exceed the maximum number of hours permissible for each rating level (i.e., SE-50 hours, EE-40 hours, etc.) or the annual limitation contained in DOE Order 331.1D and BPA Supplement to DOE Order 331.1D.

 - c) Recipients that accept the award receive a second email with instructions to redeem by accessing the gift card vendor (third-party) website and follow instructions for selecting and ordering gift card. Gift cards may be received electronically or through regular mail to the address provided in the order. (Note: gift cards delivered by regular mail typically arrive within 10 business days)
 - d) BPA strongly suggests employees secure and register gift cards upon receipt. BPA is not responsible for lost or stolen gift cards.
2. Error Messages and Order Problems:
- a) Contact HR Help if you receive an error message in the presentation or redemption process.

Appendix E: Instructions for Recognition Celebrations

Managers may use their Non-Monetary Award budget for the purpose of celebrating organizational achievements, completion of projects, etc. Celebrations may occur anytime during the fiscal year.

A. Planning

1. Logistics

- Who will attend?
- What will you recognize and celebrate?
- When? Celebrations may be held throughout the year -- most often at the end of a project, to celebrate FY accomplishments or for retirements.
- Where will it be? Find a BPA room or facility. **Note:** You must hold recognition celebrations on site whenever possible.

2. Light Refreshments/Casual: Per finance directive, meal cost cannot exceed average of \$15/BFTE (or \$50 total for retirement coffee/cake celebrations).

- What do you plan to serve? Check out merchants and prices.
- Determine the number of attendees. Base the number on BFTE and your best estimation of how many of them will attend. You will need this number and information to complete the required Request for Approval for Food and/or Refreshments, BPA F 2200.01e (food form).
- Will there be additional, related costs?
- Include cost of decorations, table service, napkins, etc. in the \$15/BFTE limit. Note: If there is no BPA room available that will accommodate your organization, and you rent a room/facility, you must include rental fee in the \$15/BFTE limit. If this is the case, document the reason you were unable to hold your recognition celebration at a BPA facility on the food form.

B. Approval and Purchase Process

1. Prepare the food form and get appropriate approval signature. Do not proceed with the following steps until the form is approved.
2. Order the food.
3. You pay when you pick up the food or it is delivered. You may use the following 3 options:
 - a) Purchase with P-card and attach the original, signed food form and receipts to the appropriate monthly P-card statement (Note: This option may not be used when purchasing food for non-BPA staff that will be paid for with personal funds.)
 - b) Pay out-of-pocket (personally) for food or associated celebration supplies, i.e., paper plates, tablecloths, etc., and request reimbursement via BPA F 2230.06e, Claim for Reimbursement for Expenditures on Official Business; or
 - c) Receive invoice from vendor for food and submit a PO None via BPA F 2230.07e, Invoice/Credit Certification and Accounting Form.

If paying using method #2 or #3 above, you should scan approved reimbursement form, receipts or invoices and signed food form into a pdf file and email to Accounts Payable-FTD. Include the vendor (or employee) name and payment due date in subject line of email. Questions can be addressed to Accounts Payable, 503.230.5787.

Appendix F: Sample Performance Award Process

Pay Pool Amount 1%

The following outlines the 4 step process used to determine an employee’s full performance award.

Step 1.

- Multiply each employee’s salary by the number of “Award Shares” received for their summary rating to get each employee’s weighted salary. *This is done for every employee in the pay pool.*
- Add all the employee salaries together to get the *Sum of the Aggregate Salaries*, excluding employees receiving QSI awards. The *Sum of the Aggregate Salaries* will be used in Step 2.
- Add all of the weighted salaries together to get the *Sum of the Weighted Salaries*. The *Sum of the Weighted Salaries* will be used in Step 3.

Employee’s Salary		Award Shares		Employee’s Weighted Salary
\$101,934	X	4 (EE)	=	\$499,432
\$101,934	X	3 (ME)	=	\$374,574
\$101,934	X	2 (ME)	=	\$249,716
\$57,321	X	5 (SE)	=	\$219,790
\$57,321	X	4 (EE)	=	\$175,832
\$57,321	X	3 (ME)	=	\$131,874
<hr/>				
\$477,765 ¹				\$1,605,258 ²

¹Sum of the Aggregate Salaries

²Sum of the Weighted Salaries

Step 2.

Multiply the *Sum of the Aggregate Salaries* (from step 1) by the pay pool amount to get the *Awards Pool*. The *Awards Pool* is used in step 3.

Sum Aggregate Salaries		Pay Pool Amount		Awards Pool
\$477,765	X	1%	=	\$4,778

Organization BPA HRSC	Title Employee Recognition and Awards	Unique ID 410-08-01
Author BPA-HRSC	Approved by CAO	Date 02/02/2022
	Version 4.0	Page 41

Step 3.

Divide the *Awards Pool* by the sum of the weighted salaries (from step 1) to get the Share Value, which represent a percent of the award recipient’s salary. *The Share Value will be used in Step 4.*

$$\begin{array}{rclcl}
 \text{Awards Pool} & & \text{Sum of Weighted Salaries} & & \text{Share Value} \\
 \$4,778 & \div & \$1,605,258 & = & 0.00298
 \end{array}$$

Step 4.

For each employee in the pay pool, multiply the Share Value by the number of Award Shares by the Employee’s Salary to get the employee’s Award Amount.

Share Value		Awards Shares		Employee Salary	Award Amount
.00298	x	4	x	\$101,934	1,214
.00298	x	3	x	\$101,934	\$910
.00298	x	2	x	\$101,934	\$607
.00298	x	5	x	\$57,321	\$853
.00298	x	4	x	\$57,321	\$682
.00298	x	3	x	\$57,321	\$512
Total Awards Paid					\$4,778

Appendix G: Sample - Pro-Rated Cash Award Process

Determining a pro-rated share value requires an additional calculation to the process outlined in Appendix F. This additional calculation follows step 4, as outlined here:

Step 5 (Pro-rated Calculation)

Divide the total hours in a pay status, by 2080 hours; multiply the result times the pay pool's share value to get the employee's individual **Pro-Rated Share Value**.

$$\text{Hours in Pay Status} / 2080 \times \text{Share Value} = \text{Pro-Rated Share Value}$$

Step 6.

Multiply the employee's Pro-Rated Share Value by the number of Award Shares by the Employee's Salary to get the employee's Pro-Rated Award Amount.

$$\text{Pro-Rated Share Value} \times \text{Award Shares} \times \text{Employee Salary} = \text{Award Amount}$$

Example (Pro-Rated):

Mr. Jones is a GS 12/2 with an annual salary of \$79,039. He was in a pay status for 600 hours during the appraisal period. He received a summary rating of EE which is 4 Award Shares. Following steps 1-3 above, HRSC determined that the organization's pay pool share value is .001. To determine Mr. Jones' cash award, HRSC must include step 4 above:

Step 5

Hour in Pay Status	/	2080	=	Pro-Rated Hours	X	Share Value	=	Pro-Rated Share Value
600	/	2080		.288	X	.004	=	.001

Step 6

Pro-Rated Share Value	X	Award Shares	X	Employee Salary	=	Award Amount
.001	X	4(EE)	X	\$57,321	=	\$229
