

BPA Energy Efficiency Weekly Announcements

August 31, 2023

Events

2023 regional utility roundtable dates

This fall's regional utility roundtable dates are now scheduled. BPA facilitates these annual gatherings to hear direct feedback from our public utility customers on various important energy-efficiency topics. Your energy efficiency representative will contact you with a calendar invite for your regional roundtable. We look forward to you and your fellow utility representatives joining the BPA energy-efficiency team for discussions on topics focused on your utility and end-use customers...[More](#)

New

BPA's 2024-2025 Rate Period Implementation Manual available Sept. 1

BPA's 2024-2025 Rate Period Implementation Manual will be available Sept. 1 on bpa.gov. If you missed the informational webinars explaining the updates, the recordings are posted on the [Presentations and Webinars page](#). If you have any questions about the new measures and updates, please contact your EER.

General

Updated 2024-2025 Rate Period Residential HVAC forms and reference documents now available in BPA's Energy Efficiency Document Library

In preparation for the start of the new rate period, effective Oct. 1, 2023, BPA has added new residential HVAC optional forms and installation best practices documents to the [Energy Efficiency Document Library](#). These forms will not go into effect until the beginning of the new rate period, but are available for download in order to help prepare utility programs for the updated requirements.

If you have any additional questions about the forms or resources, please reach out to your energy efficiency representative.

Nominations now open for the 2023 Leadership in Energy Efficiency Awards!

The Northwest Energy Efficiency Alliance (NEEA) is accepting nominations for the annual Leadership in Energy Efficiency Awards now through September 15. Do you know any teams, programs or individuals demonstrating outstanding leadership in the Northwest? Nominate them for the Leadership in Energy Efficiency Awards! Learn more about the [categories and requirements on neea.org](#).

Important energy efficiency dates webpage on bpa.gov

Check out the updated important dates webpage to learn when key touchpoints in BPA's Energy Efficiency Program will occur. If you have questions regarding the dates, please contact your EER. View the webpage [here](#).
