

Transmission Services OASIS Product Pricing Validation

Posted: September 26, 2023

Effective Date: October 1, 2021, at 00:01 a.m. PPT

The OASIS default product prices will remain the same for the 2024-25 rate period. This OASIS pricing function will operate as it has in the past, with the highest default price for the requested service displayed in the Bid Price field of the Transmission Service Request (TSR). The conditional firm (CF) products will be deactivated since the CF process changed in 2022.

The rate that the customer will be charged will be per the [2024 Transmission, Ancillary, and Control Area Service Rate Schedules](#).
