

Notification of Real Power Loss Return Service

Transmission Customers are required to designate a Real Power Loss Return Service as specified in the Real Power Loss Return Business Practice. Please complete and submit this form via email to RPLPForm@bpa.gov.

All new customers must submit this form with the customer application package. All existing customers must submit any modifications to their Real Power Loss Return Service election for the next fiscal year by submitting this form by August 31st, or the next business day if the 31st falls on a Saturday or Sunday prior to the start of the next fiscal year.

In-Kind Customers must submit an updated form for any change to their Loss Provider 30 calendar days prior to the effective date of that change. Please complete and submit the updated form via email to RPLPForm@bpa.gov.

The Effective Date of this action is: _____

List all applicable

Customer Point of Contact: _____
Name/Title Phone Number

Select one of the following Real Power Loss Return Types:

In-Kind Real Power Losses are returned by one or more Real Power Loss Providers or sources.
 If In-Kind Loss Provider is different from the Transmission Customer, please indicate Loss Provider information below and review the Customer Data Entry (CDE) System Access Form to determine if any third-party designations need to be updated.

Primary Loss Provider: _____

Start Date: _____ Termination Date: _____

Financial Real Power Losses are purchased from BPA Power Services.
 An Enabling Agreement with BPA Power Services must be executed to purchase Transmission Losses. Customers must contact a Trader from BPA Power Services at bpamarketing@bpa.gov or 503-230-4111 to arrange for purchase of Real Power Losses from BPA Power Services.

Slice Real Power Losses are returned with Slice Customer's share of federal generation.
 If Slice Customer is different from the Transmission Customer, provide the following information:

Slice Customer: _____

Start Date: _____ Termination Date: _____

Other Transmission Customer does not plan to schedule at this time.
 Provide an estimated schedule start date.

Estimated Schedule Start Date: _____

Note: Transmission Customer must submit an updated form 60 days prior to commencing scheduling activity.
