RE: FOIA Request #06-004

Dear Mr. Jordan:

This letter responds to your Freedom of Information Act request dated October 27, 2005, and designated as FOIA #06-004. In your letter, you requested a copy of the data in the following BPA production database tables: PS_JRNL_HEADER, PS_JRNL_LN, and PS_PROJ_RESOURCE, beginning with the inception of the Bonneville Enterprise System through September 30, 2005.

BPA has withheld the columns for the OPRID field and the KK_TRAN_OVER_OPRID on both the PS_JRNL_HEADER table and the PS_PROJ_RESOURCE table under 5 USC§552 (b)(2) ("Exemption 2") of the Freedom of Information Act. Exemption 2 protects material "related solely to the internal personnel rules and practices of an agency." These fields contain information that is confidential for individual BPA employees to log into this system. Public disclosure of these numbers would put the computer system at risk and, therefore, is being withheld.

BPA has also withheld the column for the RESOURCE_QUANTITY field on the PS_PROJ_RESOURCE table under 5 USC§552 (b)(4) ("Exemption 4") of the Freedom of Information Act. Exemption 4 protects information on trade secrets, or commercial or financial information that is privileged or confidential and submitted to BPA by another person. Public disclosure of these numbers may cause competitive harm to vendors. All of the rest of the information that you requested has been produced.

If dissatisfied with this determination, you may make an appeal within thirty (30) days of receipt of this letter to Director of Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue S.W., Washington, D.C. 20585. Both the envelope and the letter must be clearly marked "Freedom of Information Act Appeal."

In your original letter you agreed to pay fees up to \$250 to fulfill your request. You will be sent an invoice in the amount of \$250 under separate cover by our accounting document. If you have any questions regarding this response, you may contact me at 503-230-7303.

Sincerely,

/s/ Christina J. Brannon
