RE: FOIA #08-004

Dear Mr. Salvo:

This letter responds to your change in request for information that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Action (FOIA), 5 U.S.C. § 552. Your electronic letter was received in this office on Tuesday, October 30, 2007, and will retain the previously assigned control number, 08-004. Please note that your previous request has been canceled.

**You are now requesting:**

An electronic or hard copy, of the Memorandum of Agreement between BPA and the Confederated Tribes that governs management of the Pine Creek Conservation Area as referenced in the Pine Creek Conservation Plan.

After reviewing your electronic request, it was determined that you addressed all the criteria of a proper request under the FOIA, Department of Energy, and BPA regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004. You have also agreed to pay up to \$10.00 in fees associated with the request, and if the fees appear to be higher, we will contact you prior to processing your request.

Mr. John Baugher, Fish Biologist, has been designated as the Authorizing Official for your request. Mr. Baugher has 20 working days, until November 29, 2007, to provide a response. Should you have any questions, Mr. Baugher may be reached by calling 503-230-4512.

I appreciate the opportunity to assist you with this matter. If you have any questions about this letter, please contact our office at 503-230-7303.

Sincerely,

  
Christina J. Brannon
