

# BPA Energy Efficiency Weekly Announcements

## April 11, 2024

### New

#### **Efficiency Exchange 2024**

Early bird pricing for in-person attendees representing utilities, government or nonprofits is \$350. This rate will expire at midnight April 12, registration will increase to \$450.

If you have not yet registered, check out the conference sessions and keynotes, along with the other optional activities. Everything you need to know is included [here](#).

---

#### **New Comfort Ready Home video: Heat pump water heater user guide**

Comfort Ready Home's latest video is designed to help heat pump water heater owners maximize the efficiency and performance of their investment. Utilities are encouraged to share this [video](#) with end users to help them get the most out of their heat pump water heater. Additionally, Comfort Ready Home can provide contractors with water heater magnets to place at the time of install that includes a QR code link to the video, providing new owners with the information when and where they need it...[More](#)
