Dear Mr. Carlton,

The Bonneville Power Administration (BPA) received your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). The agency received your request on June 11, 2024, and assigned tracking number BPA-2024-02117-F for your request. Please use that tracking number in any correspondence with the agency regarding your FOIA request. This communication is the agency's formal acknowledgment and response to your information request.

Request

You seek, "[a listing of] ... all full-time employees' first, middle (if available) and last names, including their job title/position, their campus/office location (city and state only), date of hire and email address."

Acknowledgement

BPA reviewed your request and determined that it fulfills all criteria of a proper request under the FOIA and the U.S. Department of Energy's (DOE) FOIA regulations at Title 10, Code of Federal Regulations, Part 1004.

Response

BPA searched for and gathered the agency data and information you seek. Subject matter experts (SME) in the agency's Human Resources Service Center gathered 73 pages of data responsive to your request. Those 73 pages accompany this communication with no redactions applied.

Fees

There are no fees associated with processing your FOIA request.

Certification

Pursuant to 10 C.F.R. § 1004.7, I am the individual responsible for the data search and release described above. Your FOIA request BPA-2024-2117-F is now closed with all available response information provided.

Appeal

Note that the records release certified above is final. Pursuant to 10 C.F.R. § 1004.8, you may appeal the adequacy of the records search, and the completeness of this final records release, within 90 calendar days from the date of this communication. Appeals should be addressed to:
