**Comments on BPA May 24<sup>th</sup>, Data Exhibit Customer Call**

City Light would like to offer the following comments for BPA's consideration concerning BPA notice of Service Request Data Exhibit Validation Requirements Enforcement and the May 24<sup>th</sup> customer call.

City Light recommends BPA pause the process of implementing this policy to further review the Open Access and Reciprocal Service implications involved.

City Light supports Open Access to Points of Delivery (PODs) in the BPA TSEP process.

City Light thanks BPA for consideration of these comments.

Sincerely,

Michael Watkins
